PROJECT NARRATIVE INSTRUCTIONS

Community Policing Needs Statement (10 points)

In this section, please provide the following:

- A brief description of your department's history of community policing services and its recent community policing accomplishments;
- statistical and/or anecdotal evidence that supports the positive impact of your department's community policing services;
- a brief description of current unmet community policing need(s), documented with statistical and/or anecdotal evidence;
- an explanation of how grant funds will be used to address identified community policing need(s) and who in your community will benefit directly from grant funds;
- a brief explanation of why current community policing need(s) have not been met and why grant funds are needed.

Project Description (10 points)

Your project description must state clearly and concisely what your community policing project is and how you plan to accomplish your project. It must address the community policing need(s) you identified in the Needs Statement section. Your project description should answer the following questions: WHO will do WHAT for WHOM by WHEN and by HOW MUCH?

Project Timeline (5 points)

In this section, provide a timeline that states your planned dates for initiating and completing each project activity. Note that the grant period begins July 1, 2006 and that your project summary, copies of receipts/paid invoices, and your request for funds must be received by DCJS on or before December 15, 2006.

Project Partners (10 points)

In this section, identify and describe the role(s) of community partners who will collaborate with your department to accomplish this project.

Certified Crime Prevention Community (2 points)

An eligible application from a DCJS Certified Crime Prevention Community will score an automatic two (2) points.

Your project narrative must be typewritten and may not exceed two (2) pages in length.
